To access the Westga wiki service for creation and editing of wikis, you will need access to MyUWG. For information on MyUWG and password resets, contact ITS at 678-839-6587.

To sign in to the Westga Wiki Service:

1. Sign into MyUWG
2. Navigate to the **My Campus Tab** or **External Resources Tab**

3. Click on the **Wikispaces link**

4. The wikispaces link in MyUWG will take you to the **main Westga Wiki Page**

5. From this page, navigate to desired wikis by entering the URL in your browser or by clicking on the **My Wikis Tab** at the top right:
6. From this main page, you can also create wikis and view account information. In most cases, you will want to create a protected wiki which allows everyone to view your wiki but only designated individuals to edit.

7. Some Wikis require you to join in order to make changes to the wiki. Generally, you must also be signed in via MyUWG to edit pages and join wikis. To join a wiki, send a request to the wiki owner:
Editing Wiki Pages

1. Once in a wiki, **edit pages** via the edit tab (in most cases, you must be signed in via MyUWG in order to edit pages.)
2. The **Edit Menu** has similar commands and options to that of a word processor such as Word.
3. Be sure to **Save**.
4. The **History Tab** allows you to revert to previous versions of your wiki page.

5. For more info on wiki editing, click on the **Help Menu** at the top right of your wiki window:
